The jamboree talent show at the Alumni Event is on Friday, July 30, in the arena. Auditions will be held at the Displays and Activities Headquarters, commonly referred to as the White House, a small, white wood-frame building on the edge of Technology Quest in the Heth area of Fort A.P. Hill.

**Auditions are between 9 A.M. and 5 P.M.
on Tuesday, July 27, and Wednesday, July 28.**

Talent acts can be solo or a small group, youth or adult, and can range from juggling to singing to playing a musical instrument to telling a short story, etc., as long as they are in the Scouting spirit of wholesomeness.
